## CONTRACTS FOR NEW FURNACES AT MEADE ARE LET BY BOARD

The Gettysburg Joint School Board at a special meeting Monday evening at the high school building awarded contracts for installation of new furnaces at the Meade School building.

Low bids for the heating and electrical contracts total \$8,143.80. The work is to be completed by August 27. The new furnaces will replace worn out units.

The heating contract was awarded to H. N. Bange, Hanover, the lowest of three bidders at \$7,400. Offers ranged up to \$10,137 asked by Weishaar Brothers of Gettysburg to do the work. The other bidder was Worden and Shewell, York.

**Order Convertible Burners**

Low bidder for the electrical work involved in the installation of the heating plants went to the Hull Electrical Service of Gettysburg at its low bid of \$743.80. Other bids were submitted by Weishaar Brothers; Worden and Shewell and H. N. Bange. The top figure for the contract was Weishaar's bid of \$1,330.

The board decided to install gas burners that are convertible to oil and to install a 1,000-gallon oil storage tank for a standby fuel supply. The board was told that the gas company recommended the use of conversion burners and provision for 24 hours standby fuel.

The board opened bids Monday evening on a gas-fired system and alternate offers that provided for the conversion burners and the installation of the oil supply tank. The bids were tabulated by William Hood, heating engineer from York who prepared specifications for the work.

**"Safer" Than Before**

Action on the bids was delayed for nearly an hour by a board discussion of the question of the status of state approval of the project and the manner in which that approval was secured. The question of whether wooden heat ducts remaining in that building should be replaced also came up for discussion. The duct work had not been included in specifications for the bids opened Monday.

Hood told the directors, in answer to questions about the safety of the system after its completion, that it will be "much safer and there will be much less of a fire hazard than before."

**Would Cost "A Lot Of Money"**

He said that automatic heat controls and the placing of a fire wall between the furnaces and wooden heat ducts that are now within eight inches of the old furnaces will make a much safer situation than existed there for years when the furnaces were hand-fired and burned coal and when no fire walls protected the woodwork in the basement.

To replace all wooden duct work in the basement would cost an estimated \$1,800, Hood said, and to replace wooden ducts throughout the building and meet school code requirements for a circulating system would cost "a lot of money." Mr. Hood said there are no estimates available on the cost that might be involved.

He repeated that when the contract work is done it will be "much safer" than it was before and said

## BULLETINS

**WASHINGTON (AP)** — Leaders of the embattled forces in the Senate struggle over atomic legislation each blamed the other today for the prolonged deadlock.

Sen. Anderson (D-MN), a top strategist in the fight against the administration bill, said tactics used by Republican leader Knowland (Calif) had blasted chances for an early end to the marathon battle.

"We'll be here to Thanksgiving now," Anderson told reporters.

**WASHINGTON (AP)** — The United States has dispatched to Communist China a sharply worded demand for an immediate halt to Red plane attacks against American and British aircraft.

Diplomatic officials reported the stiff note was given to Britain to relay to the Red China regime as a follow up to the weekend clashes over the South China Sea.

**WASHINGTON (AP)** — President Syngman Rhee of South Korea said after a conference with President Eisenhower today that he sees "no possibility of unifying Korea by a peaceful means."

Rhee made the statement to newsmen after the opening of talks with Eisenhower and other American officials on military and economic problems confronting partitioned Korea.

## Engaged

Mr. and Mrs. J. Wilbur Weikert, R. 3, announce the engagement of their daughter, Hilda Irene, to Jack R. Settle, son of Mr. and Mrs. Paul M. Settle, R. 3.

Miss Weikert, who was graduated from the Gettysburg High School in 1953, is employed as a cashier-clerk at the Gettysburg Municipal Authority. Mr. Settle, who was graduated from the local high school in 1948, is engaged in the trucking business. He is a member of the Howitzer Company, 2nd Battalion, 104th Armored Cavalry (Light) Pennsylvania National Guard.

No date has been set for the wedding.

## ENROLL PUPILS FOR DAY CARE CENTER IN FALL

New applicants for the Adams County Day Care Training Center are being enrolled now. Dr. George A. W. Stouffer Jr., county supervisor of special education and admissions officer for the school, said today.

The school, sponsored by the Adams County Association for Retarded Children, will re-open September 7.

Eligibility is established by law. Dr. Stouffer said, and requires that the child be of school age, from six through 17, and must be examined by a "certified school psychologist."

**Costs Are Divided**

For the child to be eligible for the school, the psychological examination must establish that the child is "uneducable but trainable in the public schools." He added that "broadly interpreted this means that these children are not mentally able to profit from attendance in a regular school even if they are placed in a class for the slow learners and it is felt that while they cannot be educated in the usual sense of the word they can be trained toward a better adjustment in the home and community."

While the school districts in which the children attending the day care center reside pay the tuition, transportation generally will have to be furnished by or arranged for by the parents. Parents will however be assisted in working out the transportation problem.

## CUMBERLAND'S AUDIT IS MADE

Cumberland Twp. School District boosted its balance during the year ending July 1 with nearly two-thirds of its total income supplied by state appropriation. Roughly one-third came from taxation.

Figures produced by the annual audit of the school district accounts, just completed, show that local tax collections last year netted the school district \$30,896. The total of state appropriations was given as \$59,999.

The school district began last year on July 1, 1953, with a balance of \$1,387 and ended the year with \$4,519 in the bank.

Chiet expense items last year were for instruction which included \$67,000 in tuition payments to the Gettysburg Joint School District. Bus transportation of pupils cost \$15,292. A \$5,089 payment was made to the Gettysburg School Authority.

The district values its three rural school buildings and sites at \$6,000.

The auditors' report is signed by Mervin Weikert, Herbert G. Raab and Lawrence Helzel. Copies of the auditors' report will be posted in the township.

**COUNTAINS FINED**

The following Adams Countians were recently fined in Westminster for motor code violations: Simon M. Redding, Gettysburg, \$10.75, exceeding the 50-mile speed limit; Robert M. Sheaffer, McSherrystown, \$6.45, exceeding the 30-mile speed limit; Rudolf Lang, Emmitsburg, forfeited \$11.45 on a charge of exceeding the 55-mile speed limit.

## 2 SALES DAYS IN GETTYSBURG OVER WEEKEND

Two 21-inch television sets, a three-piece luggage set, a \$10 gift certificate from cooperating merchants, and a \$50 cash prize from the Gettysburg National Bank will be awarded to Adams Countians participating in the annual Gettysburg Sale Days, Friday and Saturday.

Drawings for more than \$1,500 in prizes Saturday evening will climax the week end bargain and special sales among town merchants, according to Edward Stine, president of the Gettysburg Retail Merchants Association.

Four "grand" awards comprising a 21-inch console television set, a 21-inch table television set, the luggage, and other awards will be given the holders of sale day's tickets at a drawing in Lincoln Square Saturday night, at 9:30 o'clock.

The \$10 merchandise certificates, in addition to other prizes given by individual firms, will be awarded in the stores Saturday evening, at 9 o'clock. Merchandise certificates will be redeemed at the awarding store.

## Special Section Wednesday

Bargain and special sale items will be announced throughout the remainder of this week in the advertising columns of The Gettysburg Times and over Radio Station WGEE. Sales tickets will be given with each purchase. Stores of cooperating merchants can be recognized by distinguishing black and yellow, diamond-shaped, Sale Days pennants.

Seventy thousand tickets have been printed for distribution among cooperating merchants. Interest displayed has led Retail Merchant spokesmen to comment that this year's sale will be "one of the best in the merchant group's history both in number of merchants participating and the extent of bargains to be offered."

## REASONABLE RAINFALL WILL HELP TOMATOES

"If we get reasonable rainfall between now and August harvest time (the tomato peak is around Labor Day), we will have a good sized crop," Don Horst, Crop Supervisor of The C. H. Musselman Company, Biglerville, said today.

"Unfortunately the market for tomato juice has suffered from competition with other fruit juices and from an over-supply of poor quality juice in areas where Federal-State inspection is not used," he added.

"Fly-by-night truckers and smaller canners who buy without inspection always affect the quality and sale of juice in time. In Adams and York County inspection and careful processor buying holds to a safe and salable standard. In today's market only quality tomato juice is in demand."

As to the effects of dry weather, Mr. Horst said, "Tomatoes will take hot sun and dry weather to a surprising degree, but there is a limit. All local crops need rain, but even so we are better off than the drought areas of the Mid-West and South-West. We are hoping for a good season for our tomato contract growers. Balanced rainfall is the need right now."

## Winebrenner's Hand Injured In Mishap

Borough Engineer LeRoy H. Winebrenner was back on the job today with an injured left hand suffered about 11:30 o'clock Monday morning when his hand was pinched between heavy pipe and a truck.

Winebrenner was directing a crew of borough workmen engaged in placing the new storm sewer from Bulford Ave. to the Tiber near the railroad crossing on Bulford Ave.

A war surplus bomb carrier bought by the town was being used to place the 1650-pound sections of pipe for the sewer. The vehicle slipped slightly and the section of pipe it was carrying crashed against the side of the truck, catching Winebrenner's hand between the pipe and truck.

The borough engineer was taken to the Warner Hospital for treatment and returned to work later Monday afternoon.

## Weather Forecast

Extended forecast for Wednesday, July 28, through Sunday, Aug. 1:

Eastern Pennsylvania, eastern New York and mid-Atlantic states: Temperature near normal, rising temperature followed by cooler near end of week, some chance of showers near end of week and possibly over northern section Wednesday or Thursday, total rainfall slight.

## Load Of Ike's Straw, Wagon Lost In Fire

Gettysburg firemen were called Monday evening at 7:15 o'clock when some presidential straw burned along the Eromitsburg Rd., near the guide station.

Fire Chief Donald G. Jacobs estimated the loss at \$100 when straw from the farm of President Eisenhower and a wagon owned by George Allen were consumed by flames.

The fire chief said that the wagon load of straw was being pulled by a tractor from the Eisenhower to the Allen farms and that apparently a spark from the tractor's exhaust set fire to the straw. The tractor was not damaged in the blaze.

Earlier Monday afternoon Gettysburg and Cashtown firemen were called to extinguish a grass fire covering about seven acres to the rear of Hankey's garage, near McKnightstown.

## COMMITTEES TO SERVE HOSPITAL ARE ANNOUNCED

Standing committees to serve during the next year were appointed today by Richard W. Livingston, New Oxford, president of the Board of Directors at the Annie M. Warner Hospital. Mr. Livingston was recently elected president to succeed John A. Hauser, Biglerville.

The committee members include the following:

The Executive Committee comprises the officers of the hospital and the president is automatically named Chairman: Mr. Livingston, Wilbur Bankert, Edmund W. Thomas, Henry M. Scharf, Philip M. Jones, John Hauser, Joseph E. Codori and Carl A. Baum.

**Finance Committee**

Henry M. Scharf, Chairman, Franklin R. Bigham, Lloyd W. Kuhn, Wilbur Bankert, John Hauser and Philip M. Jones.

**New Building Committee**

John Hauser, Chairman, Richard W. Livingston, Henry M. Scharf, Philip M. Jones, C. A. Willis, Franklin R. Bigham, Robert E. Berkheimer and Carl A. Baum.

**Building And Grounds**

Joseph E. Codori, Chairman, William Sneringer, Dr. Frank H. Kramer, Leo McDermitt and Clark S. Smith.

**Public Relations**

Carl A. Baum, Chairman, C. P. Keefer, George Wilhide, Edmund W. Thomas, Richard A. Brown and Edgar McDannell.

## Hopes For 40 In Aux. Police School

Burgess William G. Weaver, director of the county civil defense program, this morning issued a call for Gettysburg and Adams County recruits to attend a second Auxiliary Police Class under the direction of Gettysburg Police Chief Jack Bartlett.

Weaver said that to date only two applications for the police school have been received. Classes will begin as soon as 30 names are recorded at the Engine House police headquarters.

A group of 52 Adams Countians were presented with certificates signifying completion of the 8-week course at the Fire Engine House last March 2.

Bartlett noted, however, that 49 of these graduates are also fire policemen whose effectiveness as auxiliary police would be nullified by fire calls at the time of a disaster. "If fire engines are called the fire police will go with the trucks," the chief said. He hopes for a class of "about 40."

## HOSPITAL REPORT

Admissions: Mrs. Elmer Miller, Littlestown; Mrs. Frederick Johnson, Fairfield; Mrs. William Hood, Littlestown; Mrs. Maurice Miller, Gardners, and Mrs. Harding Hanson, Littlestown R. 1.

Discharges: Mrs. S. Mack Rafesparger and infant daughter, R. 2; Mrs. Chester Smith and infant daughter, 49 S. Fifth St.; Miss Mary Topper, Abbottstown; Jacob Settle, R. 3, and Miss Joyce Rhinehart, Littlestown.

## U.S. Counterintelligence Agent In Berlin, Friend Of Man Who Flew To Reds, Commits Suicide

**BERLIN (AP)** — An American counterintelligence agent, known to be a friend of missing West German security chief Otto John, has committed suicide in his Berlin quarters, it was learned today.

Fellow officers found the man, a naturalized American with the rank of captain in the Counterintelligence Corps, mortally wounded in his billet near the American Army hospital last Friday. He was pronounced dead on arrival at the hospital.

The Army has withheld announcement of his identity until the family is notified.

Rumors that the agent was being questioned and that he was suspected of disloyalty were flatly denied by U.S. authorities today. A senior officer said a complete inquiry shows the man to be above suspicion.

Officers said the agent had known Dr. John, former chief of the West German Federal Office for Protection of the Constitution, for some time. The agent shot himself the day after John's disappearance.

(Continued on Page 2)

## DR. R. W. GIFFORD LAUDS SKILL OF BRITISH MEDICS

The poverty of Europe was evident in its hospitals, but the skill of its physicians is of the best, Dr. Roy W. Gifford, associate surgeon of the Warner Hospital reported Monday evening at the regular meeting of Rotary at the YWCA.

Dr. Gifford recently returned from a trip to Europe in which he was one of 500 physicians from the United States and Canada to visit with the Association of British and Irish Surgeons, the College of Surgeons of Britain and the College of Surgeons of France. The trip was arranged by the American College of Surgeons to permit the American physicians to study the methods of the European doctors and confer with some of the leading men in various fields.

**Great Flower Lovers**

The local physician said he became convinced, as he traveled through England, that "every Englishman is a flower lover. No matter how small the place, there was always a flower garden."

He told of watching workmen replacing a thatch roof on Ann Hathaway's cottage in Stratford-on-Avon. The roofs he said, need replacement every 50 years.

At his first session of a British medical convention he reported, he was surprised to hear cries of "Hear, Hear" when a speaker said something with which some British physicians disagreed. And "discussion got vigorous but remained friendly" during the sessions.

At Leeds, where some of the finest medical instruments in the world are made, Dr. Gifford found the hospital still using equipment that by American standards was antiquated. He was told that there simply was not money enough to buy modern equipment.

**"Elegant Technique"**

"But despite hospitals that are antiquated and equipment that is old, the physicians do an excellent job,"

(Continued on Page 2)

## Property Transfers

George B. and Rhoda S. Thrush, Butler Twp., sold to John H. and Carol Jean Fullerton, of Philadelphia, for \$12,500, a 16½-acre property in Butler Twp.

Richard A. and Marie W. Brown, New Oxford, three leg race, Green-castle, 100 yard dash, York Springs; Potato Race, Washington Twp.; relay race, James Buchanan; sack race, Biglerville; wheelbarrow race, Chambersburg; softball, Fannett-Metal; hog calling, East Berlin and tug-of-war, St. Thomas.

Schools in charge of each event will be responsible for laying out the courses, determining winners, providing equipment and setting the rules.

Each individual will be permitted to enter three contests, President Snyder said. A point system will be used to determine the winning schools in the jamboree. Three points will be given for each first place, two points for each second and one point for each third.

Each chapter will bring its own picnic supper to the event. The program is open to all FFA members, active and honorary, chapter officials and school officials.

## Authority Manager Joins Lions Club

Robert Harner, new manager of the Gettysburg Municipal Authority, was introduced as a new member of the Gettysburg Lions Club at its weekly dinner meeting Monday evening at Sheffer's Park.

Gordon Webster, chairman of the special activities committee, announced plans for a club horseshoe pitching tourney to open in two weeks. He announced that a Lions softball team will meet a Rotary nine next Monday at Sheffer's Park when the two clubs gather for their annual summer joint meeting.

President Elmer H. Schriver presided at the meeting with about 75 members present. Meetings of the board of directors and the Stewardship and Program Committees were held after the general club session.

## CODE VIOLATORS

Hanover police, in a drive against motor code violators, have filed information against the following: Richard M. Mattingly, 3 Delap Ave., reckless driving; Francis J. Bowling, 61 E. Water St., and Charles R. Moser, 228 Baltimore St., red traffic signal violations.

## 86TH ANNIVERSARY

George "Tess" Slonaker, 35 Breckenridge St., will observe his 86th birthday on Wednesday. His granddaughter, Miss Susan LeVan, Baltimore St., will be 20 the same day.

## Abatement Period On Taxes Near End

Saturday at 3 p.m. is the deadline for payment of borough and county taxes within the abatement period. J. Herbert Weikert, local tax collector, said today. He added that while \$54,923 has been collected so far, there remains nearly \$40,000 to be paid.

Taxes will be payable at par from August 1 to September 30 and on and after October 1 a five percent penalty will be added.

The abatement period on local school taxes extends until September 30 with taxes payable at par through October and November. The penalty period on school taxes begins December 1 and lien applications will be made after settlement day, January 1, 1955.

About \$36,500 already has been paid in school taxes here but there remains \$119,538 to be collected on the total duplicate that reached a new high of \$156,000 this year.

## FFA JAMBOREE TO ATTRACT 125 AT CALEDONIA

One hundred and twenty-five youths from Adams and Franklin counties are expected to attend the annual Summer Jamboree of the Future Farmers of America at Caledonia August 5.

The program for the day will be under the direction of the officers: Merle Snyder, St. Thomas, president; Richard Herr, New Oxford, first vice president; John Mickle, Fairfield, second vice president; Richard Griffie, York Springs, secretary; Elwood Myers, Greencastle, assistant secretary; Floyd Myers, Lemasters, treasurer; Donald Mansberger, Biglerville, assistant treasurer; James Singley, Gettysburg, reporter; Harold Goshorn, Fannett-Metal, assistant reporter; Donald Shank, Washington Twp., sentinel and Fred Garber, Chambersburg, chaplain.

The program will start with a swim period at 1 o'clock in the afternoon followed by a program at 2:30 o'clock.

The events in the program and the schools in charge include, horseshoes, Gettysburg; baseball throw, Fairfield; crab race, New Oxford; three leg race, Greencastle; 100 yard dash, York Springs; Potato Race, Washington Twp.; relay race, James Buchanan; sack race, Biglerville; wheelbarrow race, Chambersburg; softball, Fannett-Metal; hog calling, East Berlin and tug-of-war, St. Thomas.

Schools in charge of each event will be responsible for laying out the courses, determining winners, providing equipment and setting the rules.

Each individual will be permitted to enter three contests, President Snyder said. A point system will be used to determine the winning schools in the jamboree. Three points will be given for each first place, two points for each second and one point for each third.

Each chapter will bring its own picnic supper to the event. The program is open to all FFA members, active and honorary, chapter officials and school officials.

## Faulty Brakes Are Cause Of Collision

Faulty brakes was given as the reason for a collision which caused \$150 damage at the intersection of Springs and Howard Aves. Monday evening at 7:45 o'clock.

Police reported the accident occurred when the brakes of the car operated by Howard F. Harman, R. 3, failed to hold as he drove out Howard Ave. Unable to stop, he struck the left rear of the east-bound vehicle of Charles E. Millhimes, New Oxford, R. 1.

Force of the impact knocked the Millhimes car up on a lawn and between two trees. Damage to Millhimes' vehicle was estimated at \$125 and to the Harman car at \$125. Charges were not filed.

## Navy Discharges Charles W. Caskey

Personnelman 2 C Charles W. Caskey, son of Mr. and Mrs. Charles H. Caskey, Fairfield, has arrived at his home following his discharge from the navy at San Diego, Calif., on July 16.

Caskey received his basic training at Great Lakes, Ill., and was stationed at Corpus Christi, Tex., for most of his four years of duty.

## BIRTH ANNOUNCEMENTS

Mr. and Mrs. Harding Hanson, Littlestown R. 1, announce the birth of a son today at the Warner Hospital.

A son was born to Mr. and Mrs. Maurice Miller, Gardners, at the hospital, Monday.

A daughter was born Monday to Mr. and Mrs. William May, McSherrystown, at the Hanover Hospital.

**CLUB TO MEET**

The Gettysburg Exchange Club will meet this evening at Hemlock Inn, The Narrows. Exchanges will assemble at the corner of Lincoln Ave. and Carlisle St., at 6 o'clock. Dinner will be served at 6:30 o'clock.

## Water Supply Is Low; Asks Residents To Curtail Their Consumption, Stop Sprinkling

The Gettysburg Municipal Authority today asked residents to stop sprinkling their lawns and to curtail water consumption as the water level in Marsh Creek fell an alarming five inches.

Robert Harner, manager of the Gettysburg Municipal Authority, said the level of water at the water works dam, which had held constant until last Saturday, has dropped five inches since that time, and appeared to be declining more this morning.

Drought conditions which have lowered Marsh Creek throughout its length, plus increased use of water in the borough is credited with causing the decline in the water supply.

**Increasing Pumping**

Harner said the pumps at the water works were operated for 22 hours Monday to provide the 850,000 gallons of water used by the community. Normally the pumps work about 12 to 15 hours a day and push upwards of 500,000 to 600,000 gallons into the borough mains.

The Municipal Authority manager said that if the water level can be held at its present point, there will be no further demand to reduce water consumption, other than the order to cease sprinkling lawns.

He added that if the level continues to decline, further restrictions on use of water will be made.

He said, "the town can be assured that it will never have difficulty in obtaining water for drinking, cooking" and such normal uses. If the creek reaches a low point, the water from several wells, one of which has been tested at 500 gallons per minute, will be turned into the mains. The well water is described, however, as "very hard."

**Dam Is Repaired**

Residents of Marsh Creek Heights appeared hopeful this morning that the repair of a leak in the Marsh Creek Heights dam would replenish the dwindling household water supply in that section.

A leak, repaired by McDermitt Bros., was said to be partially to blame for the prevailing low level of water which has caused many of the Marsh Creek Heights residents to lengthen and lower water pipes to gain increased water pressure.

Since the repair of the leakage, the second in the last two years, the water was reported to have "risen two inches overnight." Observers said the supply Monday was "about the lowest ever seen there."

Well water in the Marsh Creek Heights is said to be "abundant" and "holding up well" despite the extended drought.

## 557 TRAINED IN R. C. SWIMMING PROGRAM HERE

Mrs. Raymond P. Hill, executive secretary for the Adams County chapter of the Red Cross, and Mrs. Paul Ecker, the chapter's water safety chairman, said today that more than 550 boys and girls received water safety training offered by the Red Cross this summer, making it one of the largest water safety programs ever carried through here.

The final classes were held last Friday and certificates are being prepared now at the Red Cross office for distribution to those who completed satisfactorily the training courses for which they enrolled.

**Trained 371 Beginners**

There were 371 beginners and 135 intermediates enrolled in the classes that covered a six-week period beginning June 14. There were 35 swimmers and 16 junior life savers, the project report shows.

In the first two-week period opening June 14, three pools were in use—the Battlefield and Country Club pools here and Crouse's pool at Littlestown. Only the Battlefield pool was used for the second and third water safety courses that opened June 28 and July 12.

Each course consisted of one hour a day for five days a week for each two-week period. A staff of Red Cross-trained instructors was provided for the six-week period.

Pupils who qualified for Red Cross certificates will receive them within a week of 10 days, Mrs. Hill said.

## County Schoolmen Going To Conference

County Superintendent of Schools H. Edgar Riegler left this morning for Pennsylvania State University to attend the 32nd annual Superintending Principals' and Superintendents' Conference being held there today through Thursday.

Assistant County Superintendent of Schools C. P. Keefer, Dr. George A. W. Stouffer Jr., county supervisor of special education; Charles Yost, Biglerville High School principal, and Arthur M. Gordon, administrative assistant in the Biglerville schools, will leave Wednesday morning to attend the sessions at Penn State.

Among speakers for the convention are M. Francis Coulson, former Biglerville elementary principal, who is now director of elementary education for the West Shore Joint School System. He will speak on "The Forward Look In School Property."

## GIVE PAGEANT IN TANEYTOWN THIS EVENING

Tonight will be "the night" for more than 500 amateur thespians taking part in the pageant being presented as part of the bi-centennial celebration at Taneytown.

The first presentation of the historical spectacle "Here On The Monocacy" will be held at 8:15 o'clock this evening in the Taneytown Memorial Park. It will be presented again Wednesday, Friday and Saturday at 8:15 p.m. in the Memorial Park.

Written and directed by Miss Dorothy Eldridge of Westminster, the pageant depicts the history of the Taneytown area from its founding until the present day.

Monday afternoon the bi-centennial program included a fashion show held on the lawn at the home of the Misses Amelia and Ellabeth Annan, with more than 300 present.

Thirty-five gowns illustrated important fashion periods from 1776 to the present time. Included was a blue satin brocade gown made in Ireland in 1776 and worn by Miss Amelia Annan. Two-year-old Ellabeth Carbery Neal modeled a child's dress worn by her great aunt in 1877. Mrs. Robert C. Neal wore a black lace shawl of the 1870 period. Mrs. Ray Wareheim wore a silk party dress made in 1903 by a Taneytown dressmaker. Mrs. Elizabeth Crapster Waltersdorf modeled a paisley house dress of the 1830-40 period. Mrs. Wareheim also modeled a dress of the Flapper period. Mrs. Robert Clingan displayed a wedding dress owned by Mrs. John Teeter of Gettysburg. A bridal section of the show depicted bride's dresses from 1880 to 1950.

Miss Dorothy Alexander was mistress of ceremonies for the program and Delmar Riffle provided background organ music.

Monday evening the United States Air Force Ceremonial Band presented a concert.

**REUNION NEXT SUNDAY**

The 21st annual Slaybaugh reunion will be held Sunday, August 1, at 1 p.m. at the South Mountain Fairgrounds, Arendsville.

## Littlestown

PASTORS GIVEN  
4 TESTAMENTS  
FROM HOLY LAND

The Rev. David S. Kammerer, pastor of St. Paul's Lutheran Church, presented each member of the Littlestown Ministerium with a copy of the New Testament, purchased in the Holy Land, for his church, at the outdoor union vesper service on Sunday evening the Crouse Park pavilion. The Rev. and Mrs. Kammerer got the Testaments while touring in the Holy Land in the spring. The presentations were made by the Rev. Mr. Kammerer to the following churches, whose pastors received them: St. John's Lutheran Church, the Rev. William C. Karns, pastor; Centenary Methodist Church, the Rev. Herman E. Stenger, pastor; Christ Reformed Church, the Rev. G. Howard Koons, pastor, and Redeemer's Church, the Rev. Frank E. Reynolds, pastor, in whose absence the New Testament was received by the Rev. Charles B. Rebert.

The union service on Sunday was the final vesper in the present summer series and was in charge of the Rev. Mr. Koons. A sermon on the subject "Values That Abide" was delivered by the Rev. Mr. Koons. The Rev. Mr. Stenger gave the invocation and the Rev. Mr. Kammerer read the Scriptures. A vocal duet was sung by Miss Audrey J. Bankert and Mrs. Paul J. Mummert, accompanied in the organ by Fred A. Warner, organist at Christ Church. The congregational singing was led by the Christ Church Choir and Mr. Warner presided at the organ console throughout the service. Prayer was offered by the Rev. Mr. Karns. At the close of the service, the Rev. Mr. Rebert pronounced the benediction.

The vesper services will be resumed in the fall. These union services are sponsored by the Littlestown Ministerium.

## Crouse Reunion Held

Ninety-three persons were present at the annual get-together of the descendants of the late Charles A. and Annie K. Crouse, held on Sunday at the Walter F. Crouse property, near town. A basket lunch was enjoyed at noon. There was swimming and group games, including horseshoe contests, softball, and also horseback riding.

Paul C. Crouse, Columbia, president, conducted the business session, and was in charge of arrangements for the affair. Election of officers was held with these results: President, George Crouse, Taneytown; treasurer, Robert L. Crouse Jr., Littlestown and secretary, Mrs. Esther Crouse Freese, Littlestown. The following were appointed to serve as the committee on arrangements for the winter get-together: George Crouse, Mrs. Kay Crouse Sentz, Mrs. Patsy Runkle Crouse and Fred Crouse. A going-away gift was presented to Mr. and Mrs. Al-

## "RAISING CHILDREN"

I have read so many stories . . . about children and their ways . . . and about using psychology . . . that almost always pays . . . articles that show the parents . . . how to raise a wayward child . . . just by talking problems over . . . being gentle, meek and mild . . . many books of lengthy content . . . have been written about youth . . . and I must admit quite freely . . . they contain a lot of truth . . . but today youth rules the pasture . . . flying high just like a bird . . . where as years ago I gather . . . kids were seen but seldom heard . . . I guess I'm a bit old-fashioned . . . and sometimes become riled . . . I believe in the old adage . . . spare the rod and spoil the child.

bert Ripscha and family, Devon, who will be residing in Los Angeles, Calif., in the near future. A sunshine letter was prepared for Clarence Crouse, who is a patient in the Columbia Hospital.

The annual rolling pin contest was held and the winners for this year were Woodrow C. Crouse, representing the family, Mrs. R. L. Crouse Sr., of the in-laws, Clyde W. Crouse, a grandson and Miss Nadine Crouse, granddaughter. The 1953 winners were John Crouse, of the family, Mrs. Pauline Crouse, of the in-laws, Irvin Conover, grandson and Mrs. Peggy Crouse, granddaughter. The 1953 winners then opposed the 1954 winners to determine these champions, Woodrow C. Crouse, Mrs. Pauline Crouse, Irvin Conover and Mrs. Peggy Crouse.

Lawrence Joseph Shrader, infant son of Joseph and Margaret Lawrence Shrader, Cemetery St., was baptized on Sunday morning in St. Aloysius Catholic Church by the pastor, the Rev. Fr. Edward J. Shanahan. The paternal grandparents, Mr. and Mrs. Albert J. Shrader, E. King St., were the baptismal sponsors. The child was born July 6, 1954, in the Warner Hospital, Gettysburg.

A Board of Review will be held at the meeting of Boy Scout Troop No. 84 on Wednesday evening, 7:30 o'clock in the basement of the Littlestown State Bank building. The scouts are urged to be present at this meeting.

Paul E. Hiltzbrich Jr., Cherry Point, N. C., spent the weekend at the home of his parents, Mr. and Mrs. Paul E. Hiltzbrich, E. King St.

## ARRIVES IN GERMANY

Cpl. Perry J. Stauffer, grandson of H. T. Stauffer, 20 E. Middle st., has arrived in Germany for duty with the 5th Mobile Army Surgical Hospital near Heidelberg. He completed basic training at Camp Breckenridge, Ky., worked for the Allenberry Summer Stock Theatre in Bolling Springs before entering the Army in October 1952.

## Littlestown

CUB SCOUTERS  
ON OVERNIGHT  
HIKE SATURDAY

The Littlestown Cub Scouts enjoyed an overnight hike on Saturday. The group left town at 4:15 p.m. and hiked to the Littlestown Fish and Game Farm, near town. Upon arrival at the grounds, group games were played under the supervision of the den chiefs, Gaylon Cornell, John Rudisill and Robert Nester. A weiner roast and picnic supper then took place. The group played softball, had a song fest and marshmallow roast before going to bed at 10 p.m. Some of the Cubs slept under the stars while others retired in tents. The tents were set up by Cubmaster George E. Hornberger, assistant Cubmaster Robert B. Wareheim and Explorers James Hahn and Robert Shadle. Breakfast was served to the boys on Sunday morning, before returning them to town at 8 a.m.

The Cubs who participated were Richard Bankert, Frank Basehoar Jr., William Blocher, James Bowman, Paul Bowman, Lloyd Bortner, Joe Boyd, Jeffrey Breighner, Douglas Gitt, Charles Hahn, Richard Hornberger, Thomas Miller, Richard Motter, Charles Mummert, Larry Myers, Jon Newman, Timothy Reinman, Carl Ritter, William Ritter, Thomas Shildt, David Slusser, Ronald Smith, Fred Snyder, Larry Snyder, Dwight Streviz, Benny Stuller, Kenneth Stuller, Bernard Weaver, Jan Withrow and Alvin Zeigler.

## Plunkert Reunion Held

The eighth annual reunion of the descendants of the late William and Sarah Brown Plunkert was held on Sunday at Meadow View Park, near Union Mills. A picnic lunch was enjoyed at noon and was followed with a program.

Greetings were extended to the group by Herbert Plunkert, Littlestown, president. The scripture was read by Mrs. Luther Hess Jr., Littlestown. The reunion song was sung by the group, accompanied by Mrs. Edward W. Plunkert. Recitations were given by Patricia Ann Harner and Dorothy Forsythe, Littlestown. Reports were heard from Milton Harner, Littlestown, secretary; Mrs. Doris Plunkert, Littlestown, historian, and John Orndorff, Gettysburg, treasurer.

President Plunkert presided for the election of officers, with these results: President, Edward Plunkert Jr., Westminster; vice president, Harvey Miller, Littlestown; secretary, Mrs. Franklin Pifer, Littlestown; treasurer, Luther Hess Jr., Littlestown, and historian, Mrs. Marjorie Schaeffer, Littlestown. The committees for 1955 were appointed as follows: Grounds, Herbert Plunkert and John Orndorff; program, Mrs. Hershel Shank, Mrs. Edward W. Plunkert and Miss Mary Hess; games, Mrs. Luther Hess Jr., Mrs. Minnie Miller and Miss Lou

Countian Involved  
In Auto Accident

Two persons were injured, neither seriously, in a three-car collision on the Lincoln highway four miles west of York at 7:30 a.m. Saturday.

Treated at the office of Dr. Spurgeon T. Shue, of Spring Grove, were Norman G. Markel, 55, Hanover, driver of one vehicle, for possible rib fractures and cuts and bruises of both legs, and his passenger, John L. Slagle, 39, Hanover, for leg brushburns and neck, left hip and arm injuries.

State police reported that Markel was making a right turn into Lee's diner when his car was struck in the rear by an eastbound auto driven by Roy R. Eckert, 22, of Gettysburg R. 5. The impact pushed the Markel car into another vehicle which was halted and about to come out of the diner driveway. This car was driven by William E. Thoman, 29, Brodbeck's R. 1. Total damage was estimated at \$1,500.

Etta Miller. The date for the next reunion was set for the last Sunday in July in 1955 and the place will be announced later.

Awards were presented to Edward M. Plunkert, Littlestown, the oldest person present; Michael A. Orndorff, Gettysburg, the youngest person present; Mr. and Mrs. Edward M. Plunkert, Littlestown, the couple married the longest; Mr. and Mrs. Luther Hess Jr., Littlestown, couple married the shortest time; Mrs. Minnie Miller, Littlestown, largest family present. Games were played and prizes were received by Bruce Plunkert, Dorothy Forsythe and Mrs. Franklin Pifer, all of Littlestown.

Scientists think that whales have relatively high intelligence.

DEMOCRAT  
BOLTS PARTY

WASHINGTON (AP) — Only one Pennsylvania congressman jumped party lines yesterday as the House passed and sent to the Senate a bill to amend the Atomic Energy Act.

Rep. Walter, Democrat, joined the 19 state Republicans favoring the bill. The other 10 Democrats voted against the measure which passed 231-154.

Meanwhile, Pennsylvania's Republican senators, James H. Duff and Edward Martin, voted in favor of a motion that would have cut lengthily debate in the Senate on revision of the atomic energy bill. The vote was 44 in favor, 42 against, far short of the 64 votes needed for the cloture motion.

Sen. Martin sided with the majority as the Senate voted to defeat an atomic energy bill amendment by Sen. Stennis (D-Miss). The amendment, voted down 51-31, would have taken out all provisions for more private development of atomic power and left only those for international cooperation. Sen. Duff was not listed as voting on this amendment.

## G. C. MURTORFF BURIED

Funeral services for George C. Murtorff, Gardner, R. 2, who died suddenly last Tuesday of a heart attack, were held Friday afternoon at 2 o'clock at the Dugan Funeral Home in Bendersville. The Rev. Arbe Dorsey officiated. Interment was in Goodyear Cemetery. The pallbearers were Harry and Roy Weidner, Donald Tate, Raymond Wolf, Ernest Wright, and Albert Wolf.

Restrict Water Use  
In McSherrystown

A notice to discontinue unnecessary use of water during the current drought conditions has been issued by the management of Hanover Municipal Water company to all consumers in the borough, McSherrystown and near-by Penn township.

The notice in part stated "all consumers are hereby advised that drastic restrictions will have to be imposed on the use of water unless all waste practices are stopped at once. This is due both to the woe of lack of rain and to the limitations of pumping facilities."

Management estimated average daily use of water of 2,869,000 gallons and stated the consumption is more than can be pumped from the filter plant at Sell's station, along the Littlestown highway to the reservoirs at Parr's hill, in Parkville, south of Hanover, on a 24-hour basis.

Motorcyclist Hurt  
In Hanover Crash

Reginald Reynolds, 21, New Oxford R. 1, was admitted to the Hanover Hospital early Saturday with injuries suffered when his motorcycle and an automobile were involved in an accident in the 600 block of Baltimore St., Hanover.

Hospital attaches said Reynolds was being held for observation following treatment for a puncture wound of the forehead and brush burns. Reynolds, who was removed to the hospital in the Hanover Fire Co. ambulance, was reported to have been thrown from his motorcycle when struck by a car. Both vehicles were traveling south. Identity of the car was not immediately learned.

New Successes In Fight On  
Cancer Reported In Brazil

By ALTON L. BLAKESLEE  
SAO PAULO, Brazil (AP) — Two highly encouraging new successes in the treatment of some kinds of human cancer were reported today at the 'sixth International Cancer Congress.

One is a surgery-plus-X-ray treatment of cancer of the breast, the most common form of the disease among women. The technique is saving about half the patients who get treatment reasonably early, the congress was told.

The second is a new drug giving—at least temporarily—normal life to a number of sufferers from several forms of cancer.

**Avoids Mutilation**  
The surgery-plus-X-ray method was described by Dr. Robert McWhirter, radiologist and surgeon of the Royal Infirmary at Edinburgh, Scotland.

This method, used since 1941, surgically removes only the infected breast but avoids cutting out a part of the chest wall, armpit and neck to remove lymph nodes to which the cancer probably already has spread.

Those affected areas are treated by X-rays daily for three weeks, beginning 10 days after the surgery. This method thus avoids severe mutilation of the body and some complications from surgery or X-rays.

**Tells Of New Drug**  
McWhirter said 60 per cent of the women treated by the conservative combined method had survived for at least five years. A five-year survival is usually regarded as evidence of a cancer cure.

Encouraging success through use of the new drug thiotepa was described by Dr. Jeanne Bateman of George Washington University, Washington, D.C.

She said a high percentage of patients with cancers of the ovaries, breasts and the worst form of brain cancer had achieved good results, enabling them to return to months of useful, active life so far. The drug often produces temporarily good results in other forms of cancer, she added.

## Out Of The Past

From the Files of the  
Star and Sentinel and  
The Gettysburg Times

### FIFTY YEARS AGO

In The County: There will be a  
festival at McKnightstown Satur-  
day evening, July 30.

A number of farmers have  
threshed their wheat and report a  
good yield.

The sale of pews in Emanuel Re-  
formed church, Abbotstown, last  
Monday evening, amounted to \$2,325.

Lewis Seylar of Straban township  
lost 47 fine young chickens one day  
last week. Mr. Seylar thinks they  
were carried off by foxes or some  
other species of chicken-loving  
animals.

Last week while John Myers of  
Reading township was mowing grass  
the knife of the mower cut off the  
head of a quail which had under it  
20 eggs, most of which were  
picked. Taking these home Mr. My-  
ers placed the eggs under a hen  
which hatched out 20 quail chicks.

A thief or thieves tried to make a  
forcible entrance into E. P. Miller's  
store in Abbotstown one night last  
week, but failed.

While Mrs. John Cole, of Trust,  
was doing some work on her garage  
she noticed her cat jump on some-  
thing which on investigation, she  
found to be a four-foot black snake.  
Mrs. Cole assisted the cat in killing  
the reptile. How the snake got on  
the garage is a mystery.

Some farmers have begun plowing  
for fall seeding, and oats is now  
being reaped.

Howard Fund of Arendtsville  
picked 17½ bushels of cherries this  
season.

Early potatoes are said to be an  
abundant crop.

Cut's Snake's Head Off: J. A.  
Smiley cut a large copperhead  
snake in twain Saturday afternoon  
while engaged in mowing grass near  
Round Top. The reptile measured  
six inches in circumference.

Keep Your Doors Locked: We  
have heard of several houses in  
town having been entered and  
articles carried away during the past  
week. There are all kinds of people  
in town and citizens should guard  
their premises with jealous care.

Collided With Delivery Truck:  
On Saturday while Battery B was  
on its way to camp one of the gun  
carriages collided and demolished  
one of the wheels of the light wagon.  
The officer in charge of the Battery  
assured Mr. Swartz that he should  
be paid for the damage sustained.

Tramps Numerous Again: During  
J. W. Eicholtz's term as Burgess, our  
town was almost free from tramps,  
owing to punishment inflicted by  
Mr. Eicholtz. But of late years the  
"Weary Willies" have been allowed  
freedom while in Gettysburg and  
as a consequence the town is full  
of them almost continuously.

Attempted To Wreck Trolley: An  
attempt was made to wreck a loaded  
trolley car about Saturday midnight.  
The car, loaded with all the human  
freight it could hold, was bowling  
along the Emmitsburg road toward  
the First and Second Brigade camps,  
when, on rounding a curve at the  
Codori farm barn, the motorman,  
Charles Snyder, noticed a heavy  
fence rail on the track. The car was  
going down grade at a high rate  
of speed, and the tracks were slip-  
pery. Snyder put on brakes and re-  
versed his motor. The car, now going  
slow, struck a fence rail, but no  
damage was done.

An Afflicted Family: The family  
of George Colestock, residing near  
Abbotstown, is surely having its  
share of afflictions since last spring.

A daughter has just recovered  
from a siege of rheumatism,  
lasting several months; a son re-  
cently fell from a load of hay and  
had his rose broken besides receiv-  
ing other injuries, and now another  
son is confined to his bed seriously  
ill with typhoid fever.

Marriages: Crouse-Pey—July 21,  
1904, at the home of the bride, in  
Bendersville, by Rev. S. A. Diehl.  
Howard R. Crouse, of York, to Miss  
Daisy M. Pey, of Bendersville, Pa.  
Criswell-Heiges—July 21, at East  
Berlin, by Rev. Paul M. Spangler.  
John C. Criswell, of Reading town-  
ship, to Miss Anna M. Heiges, of  
Hamilton township.

## Today's Talk

### It Makes All The Difference

It's the little things that so often  
"mount as eagles" and form the  
basis of respect and happiness. I  
recently took from my library  
Somerset Maugham's interesting  
book which he called "The Sum-  
ming Up," and I came across this  
reference to his mother. A friend  
of hers, Lady Anglesey, told  
Maugham that she had once said  
to his mother: "You're so beau-  
tiful and there are so many peo-  
ple in love with you, why are you  
faithful to that ugly little man  
you've married?" His mother an-  
swered: "He never hurts my feel-  
ings."

The happiest of all persons is  
that one who pleases even those  
not overly loved. In other words  
always taking care not to hurt an-  
other's feelings. Hurts go pretty  
deep sometimes and leave perma-  
nent scars. To be understanding,  
generous in thought and purpose,  
always ready to forgive and be  
forgiven, how this makes all the  
difference in our health and hap-  
piness!

Even a dog is grief stricken  
when some one bitterly scolds him.  
But how much more sensitive is  
a human being! Bitterness and un-  
kindness never pay dividends. How  
quick is the response to a gen-  
erous offer. No instrument ever in-  
vented or ever to be invented, has  
the sensitive response of the hu-  
man heart.

William Muldoon, a famous ath-  
lete and trainer of athletes, who  
spent the latter part of his life  
conditioning tired and worn men,  
once said it was amazing how the  
human body reacted to "just a lit-  
tle kindness." You see, uncon-  
sciously, this wonderful body of  
ours breathes and exhales every  
influence about it. Something al-  
ways stays behind. Can't we ar-  
range it so that only the good re-  
mains and stays behind?

I once read a statement made  
by Stevenson regarding a cer-  
tain man, that he was always so  
welcomed by everyone, and that  
he seemed "good for people." What  
a wonderful tribute that  
would be, paid to any of us!

Tomorrow Mr. Adams will talk  
on the subject: "To Be Under-  
stood"

Protected, 1954, George Matthew  
Adams Service

## Just Folks

**TREE AND MAN**  
As human beings suffer pain,  
So do the trees.  
They sicken and they strive in  
vain  
With grim disease.

Like people, study youth they  
share;  
Then, after years,  
A blight of which they're unaware  
To strike appears.

The stout limbs wither and the  
leaves  
Fall to the ground.  
Nor all the care which man  
conceives  
Can keep them sound.

Trees may have longer lives than  
men,  
But by and by  
They linger in hopelessness and  
then  
They quietly die.

centiary origin destroyed the Mid-  
way Social Club house, warehouse  
of the Penn Cigar Box Company  
and dwelling house of Ezra Myers  
at Midway, near Hanover Saturday  
night. The line between York and  
Adams counties ran through the  
club house.

Two Fortunate People: James  
Hutton, of York Springs, is a happy  
man. He recently received notice  
from Belfast, Ireland, that he is heir  
to one-third of an estate valued at  
\$93,000, left him by an uncle who  
died recently in Belfast. He will go  
to Ireland the fore part of August  
to claim his fortune.

Alvin H. Ferguson, living between  
McSherrystown and Hanover, has  
fallen heir to \$4,365 by the death of  
an uncle, John Green, in Green-  
castle, Scotland. Mr. Ferguson re-  
ceived a check for the amount  
Wednesday morning from the ex-  
ecutors of his uncle's estate.

Personal: Miss Mattie Cobean, who  
has been spending some time in Al-  
toona, has returned home.  
Miss Lena Eberhae returned last  
week from a trip to New York and  
Atlantic City.

Norman Hoke, of Philadelphia, is  
visiting his parents, Mr. and Mrs.  
J. C. Hoke.

Miss Carrie E. Miller, who has  
spent several months visiting friends  
in Illinois and Missouri, is now tak-  
ing in the sights in the shadow of  
the Rockies at Colorado Springs and  
Denver Colorado.

Mrs. D. Young and daughter, Car-  
lisle, spent last week with Mr. and  
Mrs. E. S. Faber.

Edward Singmaster has returned  
home from Asbury Park.

Mark Eckert has returned from a  
trip to St. Louis and Niagara Falls.  
Miss Carrie Stallsmith accom-  
panied the remains of Mrs. Osborne  
to Carlisle Monday.

Mrs. Sarah Stallsmith, of Phila-  
delphia, is spending some time with  
Mr. and Mrs. Murray Smiley.

## 45 WITNESSES HEARD IN 10 DAY MURDER TRIAL

PERCE, Que. (P)—The lengthy  
murder trial of Wilbert Coffin en-  
tered its 10th day Monday as the  
crown sought to build—piece by  
piece—its case against the 43-year-  
old prospector accused in connec-  
tion with the slaying of three  
American hunters a year ago.

So far 45 witnesses have been  
heard in the courthouse in this  
picturesque little tourist village.  
But the crown still has 60 wit-  
nesses to testify and the defense is  
expected to put 100 into the box.

Coffin is charged specifically  
with the killing of Richard  
Lindsey, 17, of Hollidaysburg, Pa.  
His body, together with that of his  
father, Eugene, 47, and a friend,  
Albert Clair, 20, was found deep  
in the Gaspe bush last July. Bears  
had torn their bodies and gnawed  
their bones clean of flesh.

**Defendant Is Tried**  
The burly prospector from York  
Centre Que., has appeared in-  
creasingly tired as witness has fol-  
lowed witness day after day.

Wearing a neat gray sports  
jacket and a white shirt, he sits  
slumped in the prisoner's dock dur-  
ing the long hours of testimony,  
darting a glance now and then at  
his lawyers, Francois B. Gravel  
and Louis Dorion.

The crown has concentrated so  
far on trying to show that the  
three sportsmen were ambushed in  
two lonely logging camps about  
60 miles west of Gaspe and that  
four rifles owned by the hunters  
and found with them had not been  
fired or their safety catches un-  
locked.

Witnesses have testified that Coffin  
was seen in Gaspe with Rich-  
ard Lindsey on or about June 10,  
a month before the hunters' re-  
mains were found, and that he  
purchased a gasoline pump for the  
Pennsylvanians' stalled truck.

**Had American Money**  
The crown has sought to estab-  
lish that Coffin was seen in pos-  
session of a hunter's utility knife  
and a large sum of American  
money on June 12 and that he  
paid \$10 he owed a friend and pur-  
chased a substantial amount of  
liquor the same day.

His attractive 28-year-old sister  
testified Saturday that Coffin left  
home around midnight, June 12,  
not telling anyone where he was  
going.

Others said they saw him early  
the next morning in Perce and  
that he purchased a brake cylinder  
for his truck after he ran into a  
ditch near here.

He was also seen, witnesses  
said, the same day in a Chandler  
barber shop, 40 miles southwest of  
here, where he passed around a  
bottle of whiskey to eight custom-  
ers and to the barber, paid for the  
haircuts of two other customers  
and left a large tip. He also offered  
to take an 82-year-old man to Mon-  
treal with him.

## ELGART BAND AT HERSHEY

Hershey, Pa. —Les Elgart and  
his orchestra, the newest band on  
the ballroom horizon, comes to  
Hershey Park Ballroom on Satur-  
day.

Elgart, who has been featured  
trumpet player with many bands,  
including Bunny Berigan, Charlie  
Spivak, Harry James, Hal McIn-  
tyre and Raymond Scott, is known  
in music circles as "the trumpet  
player's trumpet player" because  
of his ability to fit in anywhere.

In addition, he was featured with  
the Woody Herman Orchestra in  
the Sonja Henie movie, "Winter-  
time," and has appeared on the  
Eddie Cantor and Connee Boswell  
club shows.

Elgart will feature his brother,  
Larry, on the saxophone, and Paula  
Adams on the vocals.

The Ringgold Band, of Reading,  
will play free concerts in the park  
bandshell on Sunday afternoon and  
evening. Concerts will be pre-  
sented from 2:00 until 4:00 and  
7:00 until 9:00 o'clock. In case of

inclement weather, concerts are  
held in the park theater.

Free aerial presentations at the  
park athletic field will be pre-  
sented by the Three Fearless Stars,  
beginning Tuesday, August 3. Daily  
performances are scheduled at  
4:30 and 9:30 o'clock through Sun-  
day, August 8.

## Runoff Primary In Texas On August 28

DALLAS, Tex. (P)—County Demo-  
cratic executive committees meet  
today to canvass the primary elec-  
tion returns that indicate runoff  
elections for governor and other  
Texas offices.

The runoff will come Aug. 28  
after the State Democratic Execu-  
tive Committee in turn makes a  
canvass Aug. 9 of all primary re-  
turns, district and state.

Meanwhile, Gov. Allan Shivers  
led Atty. Ralph Yarborough by  
650,919 votes to 632,040 in latest  
returns announced last night by  
the unofficial Texas Election Bur-  
eau. Two lesser candidates—Arion  
B. Davis of Dallas, with 16,062  
votes, and J. J. Holmes of Austin,  
with 19,538—combined to force the  
runoff.

Candidates must have a clear  
majority of all votes to win.

## SUGGESTS NEW FAG TOBACCO TO CURB ILLNESS

SAO PAULO, Brazil (P)—A try  
at making cigarettes safe from any  
threat of heart disease and  
cancer was proposed today by Dr.  
E. Cuyler Hammond of Yale Uni-  
versity.

The answer, he said in a paper  
for the sixth International Cancer  
Congress here, could be to develop  
new types of strains of cigarette  
tobacco free of the agent or agents  
some scientists suspect may be  
causing or contributing to heart  
trouble and cancer.

This might be accomplished in  
two years, but it might take as  
many as seven, the specialist said.

Hammond is a biometrician at  
Yale and also director of statistical  
research for the American Cancer  
Society. He and Dr. Daniel Horn  
reported last month that men aged  
50 to 70 who smoke a pack of  
cigarettes daily are about twice  
as likely to die of heart trouble or  
cancer of all types as nonsmokers.

**Danger In Tobacco**  
Smoking a pipe or cigars seems  
not to carry much if any risks, said  
Hammond, a pipe smoker himself.

The danger from cigarettes, he  
went on, could be in the special  
types of tobacco which have been  
developed for cigarettes.

These tobaccos, he speculated,  
could contain one or more chem-  
icals which adversely affect the  
heart, blood vessels, lungs or other  
tissues of some people.

From the viewpoint of the pub-  
lic, "the happiest solution is to  
make smoking safe," Hammond de-  
clared.

Development of a "harmless  
strain of tobacco plant" would be  
more practical, he asserted, "than  
to use a highly toxic strain and  
then attempt to remove the harm-  
ful ingredients from the tobacco  
by chemical means or from the  
smoke by a filter or condenser."

inclement weather, concerts are  
held in the park theater.

Free aerial presentations at the  
park athletic field will be pre-  
sented by the Three Fearless Stars,  
beginning Tuesday, August 3. Daily  
performances are scheduled at  
4:30 and 9:30 o'clock through Sun-  
day, August 8.

## FTC CHARGES FOUR MORE WITH BAD PRACTICES

WASHINGTON (P)—The Federal  
Trade Commission has added four  
steel makers and one scrap dealer  
to a list of those it charged last  
Jan. 26 with restraint of trade  
practices for "suppressing com-  
petition."

Originally two scrap brokers and  
16 iron and steel producers were  
named by the FTC but in the  
amended complaint announced yester-  
day, two of the steel producers  
were dropped because they had  
been dissolved.

The new companies named were  
Bethlehem Steel Corp. of Bethle-  
hem, Pa., and two of its subsidi-  
aries, Bethlehem Steel Co., also  
of Bethlehem, Pa., and Bethlehem  
Pacific Coast Steel Corp. at San  
Francisco. Also named was the Na-  
tional Steel Corp. of Pittsburgh,  
Pa., parent company of the Weirton  
Steel Co. of Weirton, W. Va.,  
named in the original complaint.

The amended complaint also  
added Hugo Nen Corp. of New  
York City.

Those dropped were Bolard  
Steel Corp., Milton, Pa., and the  
National Erie Corp., Erie, Pa.

Other firms named in the or-  
iginal complaint and not dropped  
in the amended complaint were:  
Southwest Steel Corp., Pitts-  
burgh, Pa., an affiliate of Luria.  
Granite City Steel Co., Granite  
City, Ill.; United States Steel Corp.,  
New York City; Colorado Fuel and  
Iron Corp., of Denver, Colo., and  
its subsidiary John A. Roebling's  
Sons Corp., Trenton, N.J.; Central  
Iron & Steel Co. of Harrisburg,  
Pa., and its subsidiary Phoenix  
Iron & Steel Co. of Phoenixville,  
Pa.; Lukens Steel Co., of Coates-  
ville, Pa.; McLouth Steel Corp.,  
Detroit, Mich.; Detroit Steel Corp.,  
Detroit; Bucyrus-Erie Co., of South  
Milwaukee, Wis.; Baldwin-Lima-  
Hamilton Corp., of Eddystone, Pa.;  
Edgewater Steel Co., of Pittsburgh,  
Pa.; and Columbia Malleable Cast-  
ings Corp., of Providence, R.I.

## Giants Lose Five Straight But Durocher's Not Worried; Pound Maglie For 11 Hits; Erskine Wins

By JOE REICHLER

AP Sports Writer

The possibility of a Giant collapse was pooh-poohed by Manager Leo Durocher today but New York fans had cause for alarm. A humiliating 9-1 loss to Brooklyn last night stretched the slump-ridden Giants' losing streak to five straight and chiseled their first-place lead over the Dodgers to only three.

"I'm not worried about a thing," Durocher said after last night's loss. "We're still in a great spot. They've still got to catch us."

**Maglie's First Loss There**  
"Sure, we're in a little slump. But I think the worst is over. We were due to level off a bit the way we were going before the All-Star Game. Now we're back home for a long spell and everything will be all right."

The Dodgers' 15th victory was their first over Sal Maglie at Ebbets Field. Maglie had whipped them 10 straight times in Brooklyn.

Milwaukee's Braves, whose dimmed pennant chances began to flicker anew after their three-game sweep of the Giants over the past weekend, made it five in a row with a 3-1 victory over Pittsburgh. Gene Conley, Milwaukee's 6-foot-8 rook right-hander, doled out four hits while Billy Bruton and Eddie Mathews were providing the offensive spark to move the third-place Braves to within 10½ games of the Giants.

**Most Have Off Day**  
Bruton opened the game with a triple off loser Bob Purkey and scored on a single by Mathews. In the third, Bruton singled, stole second and scored on Mathews' second single. Doubles by Joe Adcock and Andy Pafko in the sixth accounted for Milwaukee's third run.

All other clubs had an off day as they girded themselves for the busy schedule today. The spotlight is on Chicago, where the second-place New York Yankees and third-place White Sox meet in the first of a three-game series. Cleveland, which leads the Yankees by a game and a half, is host to Boston's Red Sox, whom they've beaten 13 times in 14 meetings.

**Erskine Triumphs**  
The Dodgers, who were scheduled to meet Chicago's Cubs this afternoon, made short work of Maglie last night, blasting him for 11 hits before sending him to the showers in the sixth inning. They continued their barrage on relievers Hoyt Wilhelm, Paul Giel and Al Corwin. Pee Wee Reese and Jackie Robinson collected three hits apiece.

The Giants, who had whipped the Dodgers in their last six meetings, were limited to five hits by Carl Erskine.

## INTER-LEAGUE SCHEDULE PLAN DROPPED FOR '55

NEW YORK (AP) — The major leagues have dropped Hank Greenberg's idea of an interleague schedule, at least for 1955, and have agreed on a new rule to ban signing of college baseball players who have started their second academic year.

Milwaukee gets the 1955 All-Star Game, at a date to be determined later, and the problems of Caribbean winter baseball are to be solved at a final conference today between the Latin delegates and Commissioner Ford Frick.

The Caribbean leagues agree to end their seasons and playoffs by Feb. 15 for permission to use no more than five players from each major league team, of which at least two will be rookies who have appeared in less than 45 games.

**Victory For Barnes**  
All is set except the actual final agreement between Frick and the delegates. Player requests to deal directly with the Caribbean teams were rejected.

Frick said Greenberg's interleague proposal was withdrawn by the Cleveland general manager at the joint meeting after being discussed at each separate league meeting.

The college rule represents a victory for Everett (Eppie) Barnes, Colgate athletic director, who fought for many years to get some protection for college players.

### NIGHT GAME WEDNESDAY

Fairfield, leaders of the Pen-Mar Baseball League, will invade Littlestown for a night baseball game Wednesday evening at 8 o'clock. Littlestown has chalked up a 5-2 record so far this season.

## MOOSE TOP TL TO GIVE VFW LEAGUE TITLE

Final Standing			
	W	L	Pct
VFW	12	3	8.00
Texas Lunch	11	4	.733
Elks	8	7	.533
Moose	7	8	.467
American Legion	5	10	.333
Eagles	2	13	.133

**Monday's Scores**  
Elks 14; American Legion 13.  
Moose 4; Texas Lunch 3.  
**Wednesday's Games**  
Semi-Final Series  
Moose at Texas Lunch, 7 p.m.  
Elks at VFW.

The VFW became regular season champions of the local Softball League when the Moose edged the Texas Lunch 4-3 in the second game of Monday's twin bill which concluded the regular season.

In the opening game the Elks eliminated the American Legion from playoff participation through a 14-13 triumph which required an extra inning.

### Playoffs Wednesday

Playoffs will open Wednesday evening at 7 o'clock when the second-place Texas Lunch meets the fourth-place Moose while the second game will pit the VFW against the Elks. Both series will be a best-of-five affair with the winners tangling in another best-of-five for the playoff title. Games will be played each Wednesday, Friday and Monday evening until a champion is determined. Rain dates will be Tuesday and Thursday evenings.

Monday's opening game was a free-hitting and somewhat loosely played contest. After trailing 10-9 going into the last of the sixth, the Legion rallied for three runs via singles by John McEnrick and Bob Decker, and a homerun by Tom McGaughlin. The Elks came right back to tie the count in the seventh on singles by Baker, Kurst and Kane, and sacrifices by Gorman and Rohrbaugh. In the top of the eighth the Elks tallied twice on a double by Carbaugh, single by Knox and two errors.

The Legion scored once in their last stand on doubles by McGaughlin and T. McEnrick. The final out came when a runner left his base too soon.

**Five-Inning Affair**  
The Texas Lunch-Moose game was limited to five innings due to the 10:30 curfew, the contest being delayed in its start until 9:40 because of the length of the opening contest.

A homerun by John Brennan to centerfield with two out in the bottom of the fifth gave the Moose the decision to prevent the Luncheon from tying the VFW for first place. Bartholomew had fanned the first two batters before yielding the homer.

A run in each of the first three frames gave the Texas Lunch a 3-0 advantage.

The Moose knotted the score with three runs in the third. Peace homered and the blow was followed by a double by Sachs, singles by Bram and Carter, and a sacrifice fly by Brennan to deaden the score.

## What's The Topic?

National League President Warren Giles is in the middle as Horace Stoneham, right, president of the league leading New York Giants, and Walter O'Malley, president of the second place Brooklyn Dodgers, indulge in close conversation. All were attending major league joint meeting in New York City (July 26). (AP Wirephoto)

## COSTA, ANDREWS CAPTURE BOUTS MONDAY NIGHT

NEW YORK (AP) — Vic Towel looks like you would expect an ex-champion to look at 26 and young Carmelo Costa of Brooklyn has all the earmarks of a real comer.

Towel at 133 pounds was 15 over the eight he held when he lost his world bantam crown to Jimmy Carruthers in '52. He was slow in contrast to the clever 20-year-old hit and run artist who is unbeaten in 25 pro fights and a fast rising featherweight hope.

But Towel showed the willing style of a mauler despite his loss to Costa on a unanimous decision in a 10-rounder at Brooklyn's Eastern Parkway last night. It was Lowell's first fight out of his native South Africa.

Away from the ring since December, Towel was rusty. If he hadn't twisted his right ankle (he claimed referee Pete Scalzo stepped on it) he might have come on to make it a close finish.

As it was, Judge Joe Agnello had it 8-2, referee Scalzo 6-3-1 and judge Artie Schwartz 5-4-1, all for Costa. The AP card was 7-2-1 for the kid from Brooklyn who has 22 victories and 3 draws in his brief career. The crowd of 850 paying \$1.20 agreed with the verdict.

**K.O. In Fifth**  
Paulie Andrews of Buffalo, N. Y., breezed past Canadian Yvon Durelle for a knockout in 1:06 of the fifth round last night at St. Nicholas Arena, finishing the bout with a right to the head. The Canadian was never in it, losing every round on the cards of judges Joe Eppy and Americo Schiavone and referee Abe Simon.

Andrews weighed 175½, Durelle 166½; the "revised" bout witnessed by a crowd of 1,500. No receipts were announced.

**Friendship Tops York Springs 9-0**  
York Springs record in the Bi-County Baseball League dropped to 14-15 Monday evening when the Springs dropped a 9-0 decision to first-place Friendship on the York Springs field. Despite the loss, York Springs retained fourth place by a narrow point margin over Plainfield.

Koblish, Friendship hurler, yielded only five hits while his teammates poled 10 off Dugan and Martin.

**Score by innings:**  
Friendship 4 0 1 2 0 2—9—10—0  
Y. Springs 0 0 0 0 0 0—5—7  
Batteries: Friendship, Koblish and Vanasdas; York Springs, Dugan, Martin (4) and Coulson.

Totals 18 4 5 3

**Texas Lunch** 1 1 1 0 0 3—4  
Home runs, Brennan, Peace. Two base hits, G. Fair, Sachs. Earned runs, Texas Lunch 1, Moose 3. Sacrifice hits, Hankey, Brennan. Double plays, Bartholomew to K. Fair. Left on bases, Texas Lunch 1, Moose 4. Hits off Bartholomew 5. Hits off Tawney 3. Struck out by Bartholomew 2. Struck out by Tawney 0. Bases on balls, off Bartholomew 3. Bases on balls, off Tawney 0. Umpires, Raff, Howard. Time of game, 0:45.

Ray Robinson retired as undefeated world middleweight champion Dec. 18, 1952.

## Little League Playoffs Open; Action Tonight

This evening at 6 o'clock the all-stars of the Gettysburg Little League tangle with the Littlestown outfit at Newville in the second game of the Area 1 playoffs.

Monday evening Newville wall-planned to lure the NCAA's big football program from the National Broadcasting Co. and it showed a 26-week winter and spring schedule of college sports.

The joint announcement by ABC and the NCAA came yesterday.

Robert H. O'Brien, executive vice president of ABC, and Les Arries, the network's sports director, said plans for the additional sports shows were not yet complete. But Arries said it probably would begin with the LaSalle-Niagara basketball game Dec. 11.

Other possibilities for the Saturday telecasts, Arries said, include the Dartmouth Winter Carnival, the Penn and Drake Relays, the IRA Regatta at Syracuse, the Big Ten-Pacific Coast Track Meet and the Intercollegiate Rodeo at Colorado A&M.

## Cyclists To Meet At Williams Grove

WILLIAMS GROVE, Pa. — Over 5,000 motorcycle enthusiasts from throughout the Eastern United States are expected to assemble at Williams Grove Park and Speedway this coming weekend to take part in the 15th annual Gypsy Tour sponsored by the Middle Atlantic Dealers Association. It was announced today by Roy Richwine, owner.

Climax of the two-day outing for cyclists will be the running of an eight-mile national championship race for competition riders in the expert class to be staged on Sunday afternoon on the half-mile oval.

Al Walters, Lewisberry, district referee of the American Motorcycle Association, which will sanction the event, said he was expecting entries from a large field of the country's leading daredevils of the two-wheelers, all anxious to garner the title.

Races in the amateur class will also be held on Sunday afternoon, with a card of races for novice riders slated for Saturday afternoon.

## MORE COLLEGE SPORTS ON TV

NEW YORK (AP) — College basketball and track are going to join football on big-time television this winter.

The American Broadcasting Co. lifted the wraps a little from the plan they used to lure the NCAA's big football program from the National Broadcasting Co. and it showed a 26-week winter and spring schedule of college sports.

The joint announcement by ABC and the NCAA came yesterday.

Robert H. O'Brien, executive vice president of ABC, and Les Arries, the network's sports director, said plans for the additional sports shows were not yet complete. But Arries said it probably would begin with the LaSalle-Niagara basketball game Dec. 11.

Other possibilities for the Saturday telecasts, Arries said, include the Dartmouth Winter Carnival, the Penn and Drake Relays, the IRA Regatta at Syracuse, the Big Ten-Pacific Coast Track Meet and the Intercollegiate Rodeo at Colorado A&M.

## BARONS KEEP ON ROLLING ALONG

By THE ASSOCIATED PRESS  
Like Old Man River, the Wilkes-Barre Barons of the Eastern Baseball League just keep rollin' along.

The Barons tackled ace pitcher Don Dangleis of the host Williamsport Grays last night and rattled out 15 hits for a 4-2 triumph. Dangleis struck out six in absorbing his third defeat against 12 victories. Mike Lotz gained the triumph, his second against two defeats.

The victory gave the Barons the series, five games to one.

The Elmira Pioneers entertained the Albany Senators, and won, 6-3, to stay one game behind the Barons in second place, and the Reading Indians rallied for two runs in the seventh inning to edge the host Allentown Redbirds, 7-6.

Schenectady and Binghamton were not scheduled.

In Williamsport, league president Tom Richardson announced last night that the circuit's first annual All Star Game would be played at Elmira Monday, Aug. 2.

Elmira's Dunn Field was selected for the game on the basis of a per capita attendance total for the season to date. For the first 26 home games of the season, excluding booster nights, the Pioneers drew 30,317. Figured with a population of 49,716, the total gave Elmira a "batting average" of .600.

Wilkes-Barre was second with a .455 figure.

Players from the Elmira, Williamsport, Schenectady and Allentown clubs will comprise the "National League" squad, and the "American" team will be drawn from Wilkes-Barre, Albany, Binghamton and Reading.

**LAST NIGHT'S FIGHTS**  
LOS ANGELES—Sgt. J. B. Reed, 193½, Vallejo, Calif., outpointed Jake Williams, 187, Los Angeles, 10.  
OAKLAND, Calif.—Maurice Harper, 150, Oakland, outpointed Charlie Sawyer, 146, Los Angeles, 10.  
HONOLULU—Kenney Davis, 126, Los Angeles, stopped Steve Takano, 129½, Hawaii, 8.

## Ex-Hosiery Mill To Be Research Lab

PHILADELPHIA (AP)—Nuclear Research Corp., an atomic research firm, has purchased a former hosiery mill in suburban Southampton, Bucks County, for \$42,000.

The firm, founded in 1950, developed a gamma ray device capable of detecting flaws in metal as small as one-millionth of a cubic inch.

The new building was purchased through Albert M. Greenfield & Co. from Harry L. Cooper Hosiery Mills.

## HARBERT FACES BURKEMO IN PGA TITLE BID

ST. PAUL, Minn. (AP) — Chick Harbert and Wally Burkemo, two golfers who thrive on the kind of competition where you face the other fellow and try to beat him down, meet today in the final match of what may be the best-played PGA Championship in the postwar era.

It is the second man-to-man clash between these two, who live and work scarcely 10 miles apart in suburban Detroit, and the third PGA final for each.

**Cary On The Hook**  
In yesterday's grueling 36-hole semifinals, Burkemo, the defending champion, almost crushed Cary Middlecoff with one brief string of birdie shooting, let him get away and then came back to win on the 37th. Harbert, twice runner-up but never a winner in this tournament, had to go clear to the 36th green to down Tommy Bolt, 1 up. Harbert gained a 2-up lead at the 27-hole mark and then started to shoot steady pars until the holes ran out.

That admirable strategy didn't work. Bolt matched the pars for seven holes, then, when it was a case of win or quit, he sank an almost unbelievable 40-foot putt for a birdie on the 35th. Both hit the final green in two shots and Harbert, the pressure now on him, ended the match by ramming a 12-footer into the cup.

**Appeared Faded**  
Burkemo, starting the afternoon round, went from 1 down at the 20th to 3 up at the 25th by shooting birdies on four of five holes. But after the 30th he seemed to be tiring.

When Middlecoff rammed an approach putt on the 36th green the match was square.

On the extra hole, however, Burkemo, outdriven by some 30 yards laid his approach within nine inches of the cup for a sure birdie. Middlecoff couldn't match that.

per capita attendance total for the season to date. For the first 26 home games of the season, excluding booster nights, the Pioneers drew 30,317. Figured with a population of 49,716, the total gave Elmira a "batting average" of .600.

Wilkes-Barre was second with a .455 figure.

Players from the Elmira, Williamsport, Schenectady and Allentown clubs will comprise the "National League" squad, and the "American" team will be drawn from Wilkes-Barre, Albany, Binghamton and Reading.

**LAST NIGHT'S FIGHTS**

## 30,000 MINERS IN STATE LOSE JOBS IN 1954

By LEONARD A. UNGER  
HARRISBURG (AP)—Nearly 30,000 miners lost their jobs in Pennsylvania in the first half of 1954.

Mines Secretary W. J. Clements described the cold, stark statistic as "startling and alarming" and told a newsman:

"The year 1954 may well be one of the most evil that has ever befallen the coal industry—both anthracite and bituminous."

Department tabulations showed that about 18,000 miners were thrown out of work in the anthracite region since Jan. 1, reducing the number of employed miners to 31,074.

That's a fewer number of miners than at any time since the Department of Mines began keeping records in 1870," said Clements. "It hurts when you see that only as recently as 1948, there were more than 80,000 anthracite employees."

200,000 In 1921  
It's virtually the same story in the soft coal fields where in booming 1921 more than 200,000 men dug coal.

That figure is now 46,500, far less than half of the 110,000 men employed in 1948.

As natural gas and oil make new inroads into coal, production in both the anthracite and bituminous fields also continues to decline.

Production of hard coal for the first half of the year amounted to about 12½ million tons compared to more than 15 millions for the same period last year.

Production Drops  
The anthracite output in 1953 totaled about 30½ millions, a far cry from the peak production of nearly 179 millions in 1918.

"If the downward trend continues, it is evident that the yearly total production will be far below the figure for 1953," said Clements.

The decline of soft coal production was even more precipitous in the first half of 1954.

Tonnage for the year as of June

## 300 At Funeral Of Machine Gun Kelly

COTTONDALE, Tex. (AP)—Machine Gun Kelly, followed in the news by millions when he was, for a brief period, America's most notorious desperado, drew only 300 people in death.

They buried Kelly on Sunday in the Cottondale cemetery.

Only one relative was present. It was Boss Shannon, who still calls Kelly "George." Shannon is his father-in-law. He loaned Kelly his farm home for Kelly's most famous crime, went to prison with him, finally reserved Kelly a spot of ground in the cemetery.

Like a lot of others, Boss Shannon filed past the casket for a last look.

When he saw Kelly's face, he broke into a smile.

"Well, George," he said, "you sure look nice."

Flamboyant Kathryn Kelly, Machine Gun's wife and partner in crime—some said she was the brains—couldn't come. She and her mother, Boss Shannon's wife, still are in prison.

But she sent flowers—red roses.

300 amounted to 34,700,000 tons compared to 46 millions in the first half of 1953—a decline of 24 per cent.

"The decline is so sharp it makes us wonder what the future holds for the industry," said the mines secretary.

59 Mines Close  
Mine shutdowns continued at a rapid pace. Fifty-nine hard coal mines have been closed since Jan. 1, accounting for more than 13,000 miners out of work.

The worst in recent years was the June 30 closing of several mines and collieries of the Lehigh Navigation Coal Co. in the Panther Valley. Nearly 5,000 miners from Tamaqua, Lansford and Coaldale lost their jobs.

The Philadelphia and Reading Coal and Iron Co., in closing down its largest mine—the Maple Hill colliery at Shenandoah, was forced to lay off more than 1,000 miners.

In the bituminous fields, 111 mines—most of them small operations—stopped operations since the first of the year, throwing 6,426 men out of work.

## GOV. SHIVERS FACES RUNOFF IN TEXAS AUG. 28

By WILBUR MARTIN

DALLAS, Tex. (AP)—Gov. Allan Shivers, who led Texas Democrats' bolt to Republican Dwight D. Eisenhower in 1952, apparently faces a runoff election in his bid for an unprecedented third term.

His opponent, Ralph Yarborough, champion of the "Loyalists" who stuck with Democrat Adlai Stevenson in the presidential race.

Unofficial returns from Saturday's first Democratic primary gave the conservative Shivers a 17,158 lead over Yarborough, not enough in the four-man race to avoid an Aug. 28 second primary.

Yarborough, 51, who had condemned Shivers' breakaway from the party in 1952, predicted victory for himself Aug. 28. "The Democrats of Texas," he said, "will vote to regain control of their party."

Shivers appeared equally confident.

Welcomes Fight  
"I welcome the opportunity to continue the fight for Texas," he said. "We will keep running a good, hard, clean fight in this runoff and with the help of the people of Texas we will win it."

A runoff election is required when no candidate has a clear majority over all others. Arlon B. (Cyclone) Davis and J. J. Holmes polled 2.72 per cent of the vote tabulated thus far by the unofficial Texas Election Bureau and that was apparently enough to force a runoff between the two top men. Some 60,000 to 80,000 votes were still out.

Democratic nomination in the past has virtually assured election. A record 1,273,100 votes had been tabulated by last night. Shivers had 627,736; Yarborough, 610,578; Holmes, 19,115; Davis, 15,671.

GOP Holds Primary  
Texas Republicans, who held their fourth primary in history Saturday, voted in small numbers. No count was made since the candidates were unopposed.

The bitter struggle between the conservatives and liberals—shown in the governor's race—overshadowed the sweeping victories of Senate Minority Leader Lyndon B. Johnson and House Minority Leader Sam Rayburn and the crumbling of the power of south Texas political boss George B. Parr.

Johnson won nomination for a second term and Rayburn for his 22nd. Johnson had 818,216 votes to 318,004 for State Rep. Dudley Dougherty. Rayburn defeated A.G. McRae 29,520 to 9,950.

Incumbents generally piled up impressive leads in the Democratic primary. But Rep. Wingate Lucas lost the 12th (Fort Worth)

## Bee Causes Crash; Two Are Injured

CHAMBERSBURG, Pa. (AP)—A bee flew into the automobile driven by Merrill Baker, 49, of Beaver, Pa., near McClellanburg on Sunday. His daughter, Isabel, 13, rode with Baker in the front seat.

"Watch the bee," the daughter told her father.

The car went out of control, turned over twice, crashed through a farm fence and landed upside down in the farmer's yard.

Baker was brought to Chambersburg Hospital for treatment of fractures of facial bones. The daughter suffered a broken left elbow. Mrs. Baker, riding in the back seat, escaped injury.

## 17,000 GET PAY INCREASE

PITTSBURGH (AP)—Some 17,000 workers in 16 plants of the Westinghouse Electric Corp. have been given pay increases ranging from 3½ to 7 cents an hour.

The workers are members of the Independent United Electrical Workers. The union and the company agreed to a new contract yesterday. The pay hike is retroactive to July 1.

The company also agreed to increase pensions from \$48 to \$51 a month. Social security payments would be added to this. If a worker is eligible for the top social security payment of \$85 and if he retires at 65 and has worked for Westinghouse 30 straight years, he will draw \$136 a month.

The contract will be in effect until Oct. 15, 1955, except for the pension plan which will run to Oct. 15, 1956.

Need Local Approval  
The agreement must be approved by the union's locals and its Westinghouse conference board before it can go into effect. The present wages of the workers have not been made public.

Westinghouse has offered the same wage increase to three other unions.

Two of the unions have turned down the offer. They are the CIO International Union of Electrical Workers, representing 46,000 Westinghouse employees, and the Federation of Westinghouse Independent Salaries Unions, with 15,000 members.

The third union, the AFL International Brotherhood of Electrical Workers, hasn't said what it thinks about the offer. This union represents 8,000 Westinghouse workers.

The contracts of all four unions expired June 30 but were extended.

District to Weatherford Mayor Jim Wright. Wright had 26,080 votes to 17,702 for Lucas.

ADVERTISE IN THE TIMES

## SAYS PEOPLE WANT PEACE

WASHINGTON, July 26 (AP)—President Eisenhower says weapons can not produce real peace—that victory in the cold war can come only from a great moral crusade.

Declaring that the people of all nations want peace, that "it is only the governments that are stupid," the President said the masses must arm themselves with a moral "force that will win through to victory."

Standing beneath a cross, Eisenhower yesterday told the 12th World Christian Endeavor Convention that while the United States must remain armed to protect its security, only moral force will give the world "prosperity and peace—prosperity beyond all the imaginings of the past."

Stupid Governments

He told the group, "It is only governments that are stupid, not the masses of people. Governments may seek for power, for the right to dominate, to extend their authority over others. Free people do not seek that."

"In the great conflict that is going on in the world today," he said, "one side upholds the freedom and dignity of man, and therefore recognizes the spiritual character. The other . . . denies all the kinds of values that you young people support."

## 2 DIE IN CRASH

JACKSONVILLE, Ill. (AP)—Two men were killed Sunday as their cars sideswiped on U.S. 36, seven miles west of Jacksonville.

Robert T. Holly, around 40, of Lansdale, Pa., was killed instantly. The driver of the other car, William H. Carter, 21, Winnetka, Ill., died shortly after being taken to Passavant Hospital in Jacksonville.

Passersby pulled Carter from his car seconds before it burst into flames and burned.

Holly's Lansdale address was listed as 30 W. 6th St.

## BOY 14, DROWNS

PHILADELPHIA (AP)—John McGeever, 14, of Philadelphia drowned in Neshaminy Creek at nearby Lower Southampton Township while on an overnight camping trip with eight neighborhood friends. The boy, apparently seized by cramps, sank in nine feet of water despite efforts of his friends to save him Sunday.

## CYCLIST IS KILLED

MILFORD, Pa. (AP)—Robert Baker Jr., 17, of Jersey City, N.J., was fatally injured when his motorcycle failed to negotiate a turn, left the road and he was thrown about 45 feet Saturday on Rt. 590, 18 miles west of here.

He was pronounced dead on arrival at Wayne Memorial Hospital, Honesdale, Pa.

Two other Jersey City motorcyclists, Alfred Kreis, 17, and Oscar Guenther, was traveling with Baker.

## FIRE DESTROYS 3 GAS TANKS

SANDUSKY, Ohio. (AP)—An explosion and fire at a wholesale bulk station of the Gulf Oil Co. today destroyed three of five storage tanks and sent three persons to a hospital.

John Baker, 26, who lived in a house nearby, suffered severe body burns and was in critical condition.

Elizabeth Barbour, 30, who lived at the same house, suffered a chest injury.

Robert Williams of Rt. 3, Norwalk, Ohio, a truck driver, was treated for shock.

Hospital attendants said they believed Williams was the driver of a truck which had brought gasoline into the plant.

Firemen said the blaze was under control but that no one had learned what touched off the blast. When the flames roared up police and firemen evacuated neighboring houses.

Each of the five tanks at the station had a capacity of 15,000 gallons of gasoline or fuel oil.

The force of the blast knocked many persons out of bed in homes nearby. The plant is located in the midst of a residential area.

In four appearances in All-Star competition, Mel Harder of the Cleveland Indians pitched 13 innings without giving up an earned run.

## Harriman Enters Race For Governor

NEW YORK (AP)—Averell Harriman, former mutual security administrator and wealthy heir to a railroad fortune, has entered the race for the Democratic governor nomination.

He announced on a television program yesterday he "will be proud to accept and take my coat off and fight for the principles I believe in."

He said he does not intend to organize a campaign such as friends are conducting for Rep. Franklin D. Roosevelt Jr.

TOWANDA, Pa. (AP)—Mills Hospital was full of Millers for a while. First, Mrs. Thomas Miller of Towanda gave birth to twins. Then, 32 hours later Mrs. Thomas Miller of Durell gave birth to twins. The Millers are not related.

## TIME RUNNING OUT IN DEBATE ON CHANGES IN U.S. ATOMIC LAW

By JAMES MARLOW

WASHINGTON (AP)—Time has ridden like a hag on the back of the Eisenhower administration's efforts to make broad changes in the atomic law, first passed in 1946, covering the development and use of atomic energy.

The Republicans were trying to put these changes through in Congress just when they were also rushing to get finished with other major legislation so Congress in this election year could finish by July 31.

But the changes proposed were far-reaching. And the objections to them by a group of Democrats and some others were so strong that they said in effect to the administration: "Whoa, not so fast." They were sore about the timing.

### Driving For 31st

Sen. Knowland of California, Senate Republican leader, was conscious of the time too. For months he had had his eyes set on that July 31 target date.

So he began driving the Senate to finish with the atomic bill and go on with the rest of the bills still awaiting Senate action. The Democrats, aided by Senators Langer (R-ND) and Morse (Ind-Ore), wouldn't be rushed.

Actually, work on the atomic changes began last year when the Joint Atomic Energy Committee, made up of Democrats and Republicans from House and Senate, began considering bringing the 1946 atomic law up to date.

### Got Report July 12th

Yet, it wasn't until July 12 that the joint committee's report, explaining the changes in existing law which would be made by the bill it produced after all its examinations, was given to the senators to study. The bill reached the Senate floor the next day.

Sen. Lehman (D-Ill.-N.Y.), one of the leaders in the fight against the bill, complained that the changes it would make were too deep and significant to be studied on such short notice.

Some of those changes would let private industry into the development of atomic energy for private profit. Whatever work big companies have done since 1946 has been for the government.

Democrats protested the bill was so written that a few companies, which already had know-how from their work with the government, could get a monopoly.

### Public Has Claim

Atomic energy could be used for power — electricity — although turning it out that way won't be economical for years yet. And the Democrats argued atomic power was something the public, which paid for atomic research, had a big claim on.

In addition, the bill would loosen up on some of the atomic secrecy. For example, U. S. allies would be let in on some military atomic information.

Knowland, determined to get the atomic bill through, ordered the Senate into round-the-clock sessions. This made the opposition madder. Knowland tried some usual moves to cutoff debate. He failed, and now says Congress can't quit before Aug. 7.

## ENROLL PUPILS

(Continued from Page 1)

lem by the Association for Retarded Children.

The Adams county Day Care Training Center was opened in April, 1954, and the first class consisted of six children from various parts of Adams county and one from Hanover. The instructor was Mrs. Marjorie E. Routsong.

Even though the class was in operation for only two months, Dr. Stouffer said the parents of the children who attended, "were quite pleased with the help their children received."

Parents who are interested in having their children in the school, or anyone who knows of children who might qualify for the school, are asked to contact Dr. Stouffer at the office of the county superintendent of schools, room 8 at the Court House, Baltimore St. The telephone number is 553-X.

## Poke On Bear's Nose By Boy Frees Hand

CHICAGO (AP) — Nine-year-old Leonard Radermacher has a scratched hand to prove to his playmates that he took on a grizzly bear yesterday and won.

He crawled under a guard rail at Indian Boundary Park Zoo and handed the 400-pound bear a peanut through the bars of his cage. The bear clamped his teeth on the boy's hand.

Leonard describes how he got away: "So I poked the bear on the nose with my other hand and he let go."

### HOME RUNS FOR 3

AHOSKIE, N. C. (AP) — Three Currituck County prison inmates were unaccounted for after a baseball game between the camp teams of Hertford and Currituck counties. The batter knocked a long, high fly. Three fielders ran—and kept running.

## PUBLIC AUCTION

The undersigned, having sold his farm and going to discontinue farming, will sell the following at public sale at his residence on the former George Shorb farm situated about 2 miles from the Emmitsburg Road:

### LIVESTOCK</

# U.S. To Demand Immediate Halt To Attacks On U.S. And British Planes; Strong Note Is Drafted

By G. MILTON KELLY  
WASHINGTON (AP)—The United States was reported today to have drafted a strongly worded protest at Communist China, demanding an immediate halt to attacks on American and British planes.

A note already has been drafted, officials said, denouncing the action of Red Chinese fighters in shooting down first a British commercial airliner and later firing on American Navy rescue mission planes.

Any American note will be relayed through the British, who recognize the Chinese Communist government. This country does not.

## Angry Protests In Congress

The weekend plane clashes, climaxed by the shooting down of two attacking Chinese fighters by U.S. planes, aroused angry protests in Congress and further embittered American feelings toward the Peiping regime.

Sen. Ferguson (R-Mich.) said today the Communist world should read "a strengthened U.S. foreign policy" into the shooting down Sunday night of the two Communist planes off the Red-held island of Hainan.

Others on Capitol Hill joined in a general "well done" for the U.S. airmen who downed the planes.

Continuing Recue Search  
Ferguson, chairman of the Senate Republican Policy Committee, said it was wise policy to shoot down the Communist attackers, because failure to fight back "might have misled them into believing

that Americans won't fight." "Let this be a lesson to them, that Americans will defend themselves and their rights on the high seas," he added.

Ferguson said the Communists should have recognized "strengthened U.S. foreign policy" in recent months, particularly since President Eisenhower had sent aircraft carriers to "protect and help this mission of mercy." The U.S. planes were aiding in a search for possible survivors of the British plane.

The Navy Department, meanwhile, reported American carrier planes were continuing to patrol the skies around Hainan Island, searching for possible additional survivors from the British airliner which was downed Friday.

## Abbottstown

ABBOTTSTOWN — Mr. and Mrs. Fred Griffin, Carlisle, were Sunday visitors at the home of Mr. and Mrs. Oscar Griffin.

The young son of Mr. and Mrs. Thomas Schade was baptized during the Sunday morning services in the Reformed Church.

Ground-breaking ceremonies for the addition to the church, were held with Charles Elbert, oldest man who had served as elder, breaking ground.

Mr. and Mrs. Ervin Butt and family, Lancaster, were weekend guests at the home of Mr. and Mrs. Elmer Butt.

Mr. and Mrs. Fred Gable, New Oxford, have purchased the new

## Jets Hard On Cattle So Farmers Sue U.S.

GLENDAL, Ariz. (AP)—The United States was sued for \$350,000 damages yesterday by a group of farmers who claim cows won't produce near the end of a jet base runway.

Because of the nearness of Luke Air Force Base and its jet planes, the farmers protested:

Dairy cows give less milk and the butterfat content is reduced. Beef cattle don't eat properly and it takes one third longer now to fatten them for market.

The farm houses are unsafe and noisy.

Farm workers' efficiency is cut by 25 per cent, and they live and work "in fear of death."

## Triplets Wear Same Clothes At Funeral

DETROIT (AP)—Ten-year-old Judith and Joyce Crocenzi will wear identical clothing with their triplet sister Jeanne for the last time today.

The two girls have insisted on wearing the identical costumes at funeral services for the sister, who died of polio last Saturday. They will don white nylon blouses and blue and white striped skirts.

## Will Change Course Of Creek August 16

HARRISBURG (AP)—Water of the First Fork of Sinnemahoning Creek

home at the Western end of town erected by Cletus Altland.

Mrs. Betty Hollinger and Mrs. Robert Berkheimer will be hostesses for the 4-H Club girls at a picnic today at the Altland swimming pool. Miss Elsie Eisenhart is on a tour through the Western States and California.

Marilyn Freed, York, is spending several days with her grandmother, Mrs. Lillian Stambaugh.

Mrs. Verna Harris entertained a member of children at a birthday party in honor of her three children, Ronald, Juanita and Cindy, Saturday afternoon.

Ralph Jones and family spent the weekend with Mrs. Jones' parents, Mr. and Mrs. Lyman Bishop, near town. Their daughter, Patty, is spending the summer at the Bishop home.

will be diverted Aug. 16 into a 1,200-foot long tunnel in Cameron County.

The changing of the creek's course, one of the main tributaries of the West Branch of the Susquehanna River, will be done to allow workmen to close a gap in the breastwork of a flood control dam now being built at a point about 25 miles west of Renovo.

The project has been undertaken

by the General State Authority. The diversion will be made at the dam site.

The subterranean channel has been dug through solid rock in an adjacent mountainside. It is 16 feet in diameter and concrete lined.

The workmen also will be permitted by the diversion to continue construction of a 170-foot high stone and earthen embankment at the site.

## A NEW KIND OF MAYONNAISE... LIGHT—NOT HEAVY

Now you can buy a new kind of mayonnaise—Mrs. Filbert's LIGHT Mayonnaise. The old-fashioned heavy mayonnaise is gone. It's light with foamy egg yolks, light with delicate egg whites. The salad oil is so light it fluffs right in. You taste the richness, but no hint of oil!

"I make it to please folks' lighter tastes," says Mrs. Filbert. She uses the gentlest vinegar, and real lemon juice for sparkle. Even the spices are soft-flavored! Truly delicious—Mrs. Filbert's LIGHT Mayonnaise. Eat some today.
